Who should book?

Ballroom, Latin American, Popular Sequence and 50/50 dancers; from competent novices to accomplished dancers. The evening dances and daytime classes provide a great way to practice and improve your dance techniques, as well as learn new Popular Sequence dances ... whilst having a holiday at the same time! Please note that this holiday is not suitable for absolute beginners and non-dancers.

Where will we dance?

Evening dances will take place in the Moonlight Theatre Bar. The marble floor has been tried and tested by Chris & Pete's group for the last 5 holidays and found to be an excellent surface for dancing. However, they suggest that dancers bring along some spongy insoles, bearing in mind the amount of dancing you will be doing! The Moonlight Theatre Bar also has a smaller laminated area which will be used as a Latin floor, for non-progressive dances.
