

## Dancing Holidays at Sunset Beach Club

### Music & Dance Holidays at Sunset Beach Club

Our Moonlight Theatre is arguably the Coast's finest entertainment venue. With a large marble dance floor, two long bars, raised stage and professional sound and lighting system, this is ideal for singing and dancing events.

Our bright and spacious multi-function room, 'Sala Malaga' located on the 7th floor of the hotel is ideal for smaller dance groups. With stunning panoramic sea views over the Mediterranean and wooden (parquet) floors, this 120m<sup>2</sup> room is perfect for smaller and more intimate dance lessons.

In case you wish us to prepare special packages which include golf, excursions or cultural visits, we would be delighted to design tailor made-made packages to suit your requirements.
