

Winter Sun Dance Holidays at Sunset Beach Club

Sunset Beach Club Hotel is delighted to confirm that **Chris & Pete Bradley** will host their **4th Winter Sun Dance Holiday in January 2022**. Sunset Beach Club boasts an idyllic seafront location, and apartment style rooms, all with kitchenette, terrace and free wi-fi. Located in the popular holiday destination of Benalmádena Costa, just 15-20 minutes from Málaga airport. There are also free organized activities at the hotel every day, and plenty of places to visit and things to do in the local area - when you are not too busy dancing - our Leisure Desk is here to help you make the most of your stay!

Basic details ...

The dance events take place in the hotel's **Moonlight Theatre from 15th January to 28th January 2022, inclusive** (early arrivals and extra nights can also be booked if desired). A typical weekly programme includes the following:

5 Evening Dance Sessions and 2 Morning Tuition Sessions per week.

Evening Dance Programs will be a mixture of Ballroom, Latin, Sequence and 50/50 dancing and will include Freestyle, Modern Ballroom & Latin American dancing, and Popular & Evergreen Sequence dances.

Ballroom enthusiasts can practice their Quickstep, Waltz, Foxtrot and Tango, or if you are looking to work on your Latin style, there is also Jive, Cha Cha & Rumba!

Who should book?

Ballroom, Latin American, Popular Sequence and 50/50 dancers; from novices to accomplished dancers. The evening dances and daytime classes provide a great way to practice and improve your dance techniques, as well as learn new Popular Sequence dances ... whilst having a holiday at the same time! Please note that this holiday is not suitable for absolute beginners and non-dancers.

Where will we dance?

Evening dances will take place in the Moonlight Theatre Bar. The marble floor has been tried and tested by Chris & Pete's group for the last three years and found it to be an excellent surface for dancing. However, they suggest that dancers bring along some spongy insoles, bearing in mind the amount of dancing you will be doing! The Moonlight also has a smaller laminated area which will be used as a Latin floor, for non-progressive dances.
